

# Gift Inspiration & Ideas Planner

NAME

..... Ordinary & *Happy* .....

What you talk about when you talk to each other.

What hobbies they have.

Whether they prefer sentimental or practical things.

If they were in charge of a friend meetup, what they'd likely organize.

What they share and talk about online.

What is displayed/visible around their house.

Whether they prefer physical things or experiences.

What daily or weekly routines they have.

What gifts they typically get for other people.

What you should avoid because they are very knowledgeable/passionate about it.

How they typically celebrate (or what they do on) their birthday.

What they take photos of.

What they've always talked about wanting to do but never did.

Things that connect you both.

If you had to get them a monthly subscription to something, what it would be.
