

Backyard **Makeover** Ideas

	Add outdoor fairy lights to your patio, trees, or fences.	Add shade with a canopy or patio umbrella.	Make your seating comfortable (e.g., adding cushions).	Build a simple fire pit for s'mores.	Get an outdoor water-proof Bluetooth speaker for music.	Make a feel-good song playlist to play (softly) when in the backyard.
Add lanterns for decoration.	Refresh the paint/stain on your fence.	Add a trellis or vertical garden.	Add more color to your backyard (e.g., colorful plant pots).	Set up an outdoor drink station.	Refresh any outdoor furniture by painting or replacing it.	Set up a grill area.
Build some small garden beds for veggies.	Set up an outdoor movie area (e.g., outdoor projector & screen).	Add a stepping stones path.	Get some outdoor games like cornhole or giant Jenga.	Set up a hammock or hanging chair to relax in.	Try citronella candles to keep the bugs away.	Try solar garden lights.
Get something with outdoor storage space if needed (like a storage bench).	Organize and store away gardening tools.	Get some blankets for cold evenings.	Add a water feature to the backyard.	Add some garden ornaments (e.g., statues, outdoor sign).	Add an inflatable pool or hot tub.	Get some unbreakable glasses, cups, and plates.
Get covers for your outdoor furniture for when it rains.	Do some landscaping.	Have friends over and enjoy!				 <p>Ordinary & Happy</p>
