

Small Closet Changes

That Make a Big Impact

Ordinary & Happy
O & H

1 Use matching hangers like velvet ones to save space or wooden ones for a more luxurious feel or for heavier items like coats	2 Change lightbulbs to warm white for a soft boutique feel.	3 Add more lighting such as under-shelf lighting or motion sensor strips.
5 Use matching organizers to make the closet look cleaner.	6 Add cedar blocks or lavender sachets.	7 Add a full-length mirror to make the space feel larger and more functional.
9 Use trays or containers to organize accessories like belts, watches, sunglasses, and perfumes.	10 Add drawer dividers to keep the drawers organized.	11 Get shelf dividers to be able to maximize vertical space while keeping everything tidy.
