DECLUTTERING

Walk through the house and pick three items you want to donate.

**This should be a quick decluttering challenge.
Don't overthink it.**

Start with the easy wins:

- clothes you haven't worn in over a year,
- books you'll never read again,
- duplicate kitchen items,
- home decor you don't like anymore,
- extra blankets, and
- holiday decorations you no longer display.
