

20-Min Tidying Wins

(Pick and Choose)

..... Ordinary & *Happy*

Pick a room and relocate any items that don't belong in that room.

Do a quick living room reset (straighten cushions, clear the coffee table, and tidy the entertainment unit).

Clear and wipe the counters in the kitchen and put away items that don't belong on them.

Change the bedsheets, make the bed, and clear the bedside tables.

Do a quick bathroom reset (replace towels, put toiletries away, and wipe the sink, mirror, and counters).

Start a load of laundry and fold or put away clean laundry.

Reset the entrance, lining up shoes and putting away things that don't belong there.

Do a surface sweep, going around the house and tidying the most visible surfaces (tables, desks, counters).

Do a quick tidy of the fridge, tossing expired food, wiping the shelves, and organizing everything else.
