29	30 	1 The holidays will be over before you know it. Savor everything, including the small joys.	2 Make your coffee exactly how you like it this morning. Simple comforts make a world of difference.	3 Even on dark mornings, you can shine light into someone's life.	4 No matter how busy things get, pause and take it all in. Love the lights, the season, and the magic.	5 Even when it's cold outside, nature is still full of beauty.
6 All your efforts this month will make a difference.	7 You've done so much this year, even if it doesn't feel like it.	8 It's the people we spend time with that make this month special. That's all that matters.	9 Let someone know you're thinking of them. You'll change their day.	10 Everyone's story is special in its own way, so embrace yours with all your heart.	11 The world needs your love and warmth.	12 A house may be beautiful, but what makes it a home is love, joy, and memories.
13 You've given so much of yourself to this month already. Today, save something for yourself.	14 Take photos of the lights, decorations, and things that make you happy. Get inspired by them.	15 You don't have to be the life of the party to be the warm light in people's lives.	16 The magic of the season isn't something to search for. You, through your kind-ness, make it magical.	17 Love truly is the greatest gift we can give to others.	18 Today, turn up the music, turn on the lights, and welcome in the weekend!	19 It may be busy, but this season you're making memories that last a lifetime.
20 You've done so much this month. Be proud of it.	21 Today is the shortest day. Starting tomorrow, the light will return.	22 The people you love will remember the laughter and joy, not the color of the napkins.	23 Make the holidays special in your own way.	24 Keep the people you love at the forefront of everything you do today.	25 Have the greatest day, surrounded by the people who matter to you.	26 This year may still have a few joys in store for you.
27 Step outside, take a big deep breath, and love these in-between moments.	28 After a busy time, let yourself dream and get inspired once more.	29 Write down your best moments of the year. You'll surprise yourself.	30 Every year is different. Acknowl-edge, love, and cherish the joys from this year.	31 A Happy New Year to you! Never stop being your wonderful self!	1	2 O & H Ordinary & Happy
